# Why are our day camps so much fun?

The YMCA has a well established reputation for providing reliable, affordable, good quality care for children. We treat each child as an individual within a safe, supportive and inclusive environment.

Every activity is designed to embody the YMCA ethos of 'Mind, Body & Spirit' - our programmes are a well balanced mix of active and sporty fun, trips out and creative projects.

Using the well-equipped and funky Basement youth café as our base camp, we will be out and about this summer making the most of the good weather with activities to suit everyone, including:

Swimming

Biking

Cinema

Ice Skating

Thorpe Park

Seaside Trip

Bowling

Kayaking

All our staff are experienced, enthusiastic and have been CRB checked. We operate a staff to child ratio of 1:8.

We think we have all the ingredients for a brilliant summer! Perhaps that's why so many of our campers return year after year.

## Venue

Basement is a great place for us to call home during the holidays with its café, sofas, computers, free wifi and giant TV for movies. With plenty of room to run around and separate space for 'quiet time', rainy days will be lots of fun too. As Basement is located in central Kingston, close to the train station and between two bus garages (map overleaf) it's easy to get to as well. Visit [www.basementcafe.org.uk](http://www.basementcafe.org.uk) for a virtual tour.

# A happy parent writes...

*"My daughter has absolutely loved coming to YMCA Afterschool Club and Holiday Clubs. I can't praise the staff enough, they make it fun and foster great relationships amongst the children."*
